FORMER RESIDENT WEDDED IN BELOIT

Marriage of James P. Youngclaus of Madison and Miss Susan Slaymaker of Beloit.

Miss Susan Slaymaker of Beloit, formerly of this city, was united in marriage at five o'clock Wednesday evening, January 24th, at the home of her bride's mother, Mrs. Stephen Cochran Slaymaker of Beloit. The Rev. Mr. Evans of Beloit, read the marriage service in the presence of the guests, immediate relatives and close friends of the bride and groom.

The bride wore a gown of white tulle and silver lace and carried a bouquet of bride's roses and sweet peas. The home was beautifully decorated with roses and ferns. The bride is a young lady of charming personality who has taught in the public schools of Beloit for some time.

The groom is a son of Mrs. Isabella Youngclaus of Jefferson Avenue, and has lived in Madison for the past four years, where he is employed in the mail service. After a short wedding journey Mr. and Mrs. Youngclaus will reside at 126 North Hancock street, Madison, where they will be at home after March 1st.

GAS KILLS FAMILY OF FORMER "Y" MAN

Once Secretary of Beloit Association Finds Wife and Child Victims.—Coroner's Inquest Demanded.

Janesville friends of C. C. Calkins, a number of years ago general manager of the Beloit Y. M. C. A., will be interested to know that a coroner's inquest is to be held at Waterloo, Iowa, to determine the cause of the death of Mrs. Calkins and their seven year old son, who were discovered dead in a small gas filled room off the kitchen of their home. Mr. Calkins found the bodies when he came to the window shades had been lowered and rags and rags had been employed to stop the escape of the gas.

Relatives of Mrs. Calkins, who arrived from Des Moines and Algona, requested the inquest. It is claimed that the husband and wife's wedded life was a series of domestic strife, trouble progressing to this stage at one time where the woman came near starting action for divorce.

TO ATTEND CONFERENCE AT MADISON NEXT WEEK

Principal Lowth and Miss Jacobson of the training school faculty will spend three days of next week in Madison at the meeting of the county superintendent and training school teachers. The general subject of discussion, "Standards and Measurements," will be taken up by members of the state department and it is expected that measurements for testing efficiency in the various school subjects will be instituted in Rock county during the coming year. The training school will make an effort to establish some principles for making various tests which will be used throughout the county.

THANKS CITY FOR MONEY AS RELIEF TO WAR COUNTRIES

Horace K. Turner, secretary of the "Children of America's Fund," in a letter to the Gazette today acknowledges the receipt of the sum of \$21 and extends his thanks and those of the national advisory committee to those people of this city and vicinity who realized the extent of the horrible suffering of mother infants and children and the aged in the war countries.

THURSDAY'S MARKETS.

Chicago, Jan. 26.—Another new set of records was made yesterday in the Chicago hog market. At a 25c advance, a string of \$11.75@11.80 sales being made and the bulk selling from \$11.40 to \$11.70. Packers balked at this advance and the bloom was off the trade at the close.

Good beef and butcher cattle were strong sellers at the week's best prices, but weakness in medium to choice classes are 15@25c higher than the high time last week and on the highest basis of the year.

On a light supply and stronger outside condition the lamb market regained the Wednesday decline, the bulk selling 10@15c higher and some sales being a quarter up. A 14.35 top was made.

Receipts for today are estimated at 2,600 cattle, 25,000 hogs and 3,000 sheep, against 1,737 cattle, 27,983 hogs and 5,877 sheep a year ago.

Good cattle found a strong market, but common stuff was less active. A lot of 1,150@1,200 lb. short fed steers sold at \$10.10, more money than similarly low dressing stock ever before realized. Choice heavy steers sold up to \$11.90. Medium to best grades of steers and butchers cattle are 15@25c higher than high time last week. Veal calves were about steady at \$14.25@14.50 for the bulk.

Quotations.

Choice fancy steers, \$11.40@11.90
Poor to good steers, 8.50@11.25
Yearlings, fair to fancy, 8.65@11.75
Fat cows and heifers, 7.00@10.50
Native bulls and stags, 5.65@9.00
Feeding cows, 5.10@6.60
Feeding cattle, 6.00@11.00

lb. 5.75@8.85
Poor to fancy veal calves, 10.00@14.75

New record for hogs was made yesterday. Demand from shippers and the smaller local killers carried hog values mostly 25c higher. The big local houses did not attempt to advance at the extreme close most of the bloom was effaced. Car shortage in the west is partially responsible for the short runs and sharp advances this week. Butcher cattle are disposed to regard the market as too heavy and look for at least a temporary reaction if western roads move stuff and supply swells. Quotations.

Bulk of sales, \$11.40@11.70
Heavy butchers and ship- ping, 11.65@11.80
Light butchers, 1900@2300, 11.50@11.70
Light bacon, 145@190 lbs., 11.15@11.60
Heavy packing, 280@400, 11.35@11.60
Mixed packing, 200@250, 11.35@11.55
Rough, heavy packing, 11.00@11.20
Poor to best pigs, 60@135, 8.50@10.75
Stags, 50 lbs. dockage per head, 11.35@12.00
Yearling Sheep—Reach \$13.50.

Chicago fed western yearling weathers sold up to \$13.50. A new record by 50c per hundred-weight. Heavy native ewes also established a new record of \$10.50. Lambs sold unevenly firm to 25c higher, recoveries higher.

Wednesday's decline in the Chicago market and shipper and local butcher demand injected a prop under the market. Native lambs reached \$14.25 for the first time, and fed westerns topped at \$14.35. Quotations.

Lambs, common to fancy, \$13.40@14.35
Lambs, poor to good culls, 12.00@13.25
Yearlings, poor to best, 12.00@13.50
Wethers, poor to best, 10.00@11.25
Ewes, inferior to choice, 7.50@10.50
Bucks, common to choice, 7.25@9.00

OBITUARY.

Mrs. George A. Cunningham.

In the death of Mrs. George A. Cunningham, which occurred at the home of Mrs. W. T. Sherman, 715 Glen street, the community has lost a woman who had been well known and well beloved for many years. More or less in the public eye when she served as a teacher, Mrs. Cunningham made many friends with children and adults alike. She was a most lovable old lady, cultivated in the old school, and with many of the quaint little mannerisms that are missed so much now. She had a keen understanding of children and in fact of all people, which made her sympathetic and generous and gave her a certain charm which easily won her friends.

Mrs. Cunningham, formerly Miss Lillian Arnold Briggs, was born July 13, 1848, in Stephentown, New York, but came to Rock county when she was but twelve years of age. Since 1878 she had been a resident of Janesville. In May, 1879, she was married in the town of Center to George A. Cunningham.

Mrs. Cunningham is survived by but one sister, Mrs. Thomas N. Ross, of Sioux Falls, South Dakota.

The funeral services will be conducted at the home of Mrs. Sherman, 715 Glen street, at four o'clock tomorrow afternoon. The Reverend Raymond G. Pierson will officiate. Interment will be in the Massachusetts, a suburb of Boston.

Lucius Kennedy.

The funeral of Lucius Kennedy was held yesterday afternoon at three o'clock from the home in the town of Janesville. The Reverend Clarke W. Cummings conducted the services. Interment was in Oak Hill cemetery. The pallbearers were: Ben Cary, Will Austin, Alva Maxfield, Tom Kennedy, Jasper Kennedy and Henry Kennedy.

WILL AGAIN URGE DAYLIGHT SAVING SCHEME FOR U. S.

(BY ASSOCIATED PRESS.)
New York, Jan. 25.—A plan to set the clocks of the United States ahead an hour May 1 to save daylight until September 30, will be considered by the daylight saving National Convention, which begins here Monday.

This plan, said Borough President Marcus M. Marks of New York, who introduced the idea in this country, which was so successfully used in England last year, would save the United States \$90,000,000 in artificial light and fuel alone.

The plan is simply that between May 1 and September 30, when the light comes early, we set the clocks of the country an hour ahead. That gets the country to work an hour earlier and permits it to quit while it is still broad daylight, thus obviating the necessity for so much artificial light.

The National Convention, the members of Commerce and Boards of Trade throughout the country, over one hundred and fifty cities, the Governor of Canada and other Canadian representatives, the American Bankers association, the American Federation of Labor and various other commercial and financial labor organizations have been invited to send delegates and responses already received indicate an exceedingly large attendance.

Such leaders as Henry P. Davis, J. P. Morgan & Company; Otto T. Bannard, president of the New York Trust Company; Frederick D. Underwood, president of the Erie Railroad; Frank S. Trumbull, president of the Chesapeake and Ohio Railroad; and Arthur Lehman, of Lehman Bros., bankers, favor its adoption in the United States.

"It will call attention to the great benefit which would accrue to the general health of the working people through the added hour for recreation which would be afforded."

"There is a bill before Congress by Representative Borah, for this day, having plan which we hope to have made a law."

DELAVAL

DeLaval, Jan. 25.—Dr. J. N. Saxe, who is in Elkhorst at present, called there from his home in Milwaukee, D. C. of the death of his father, in DeLaval today visiting relatives and friends.

Mrs. M. L. Shearer returned home the latter part of the week from Carthage, Mo., where she attended the burial of her father, Hugo Phibbe.

Mrs. Brant of Elkhorst called in DeLaval yesterday.

Arthur Schiewski, a ten year old deaf student at the state school, was sent to his home in Milwaukee Wednesday to be treated by a specialist for a severe inflammation of the middle ear.

Miss Cora Loomer fell and broke both bones about the ankle of one leg Wednesday. Miss Loomer was on her way to the station, where she was taking the train for Beloit.

The Misses Katie and Mary Jung returned home this morning from a trip of several weeks' duration in the north-east part of this state, where they visited relatives.

Miss Elma Southwick returned home Monday from an over-Sunday visit with her brother in Rockford.

Miss Bessie Gray went to her home near Springfield today to recuperate from a severe attack of cold.

Mr. George Miner went to Allen's Grove today to visit friends.

Mr. and Mrs. W. J. Tyrrell were Milwaukee visitors today.

Mr. W. W. Briggs took the morning train for Chicago.

A government inspector was in this city today to make a casual examination of the mail clerks at the local postoffice.

John Ravn is again able to be out, although not able to attend to his work at the school.

OVER 3,500 ACRES SIGNED FOR BEETS

Rock County Company's Representatives Secure Big Total Which Will Grow Even More.

Southern and northeastern Wisconsin and northern Illinois county farmers have signed up in the aggregate an excess of over thirty-five hundred acres to be devoted to the cultivation of beets for the Rock County Beet Sugar company's run a year from the present time. Representatives of the company this week and for some time previous have been making contracts at the rate of from four to eight acres per day. Over eight times as many acres as was reported this week by a Racine paper to have contracted for by the local company in Racine and Kenosha counties have been secured according to the announcement today of W. B. Davis, general manager.

Representatives of the company have secured quite a large acreage in the Wisconsin line. Up state counties help well in the total also. In Rock the acreage is more than ever before and is expected to be doubled over the present figures or amount at the time of filing in the spring.

Farmers planning to cultivate beets will notify the company at least time as to the type and acreage. The company will then guarantee with the sliding rate or the seven dollar flat rate. The first contract gives the grower six dollars per acre regardless of the market value of beets to be paid for beets coincident with the rise of sugar on the market.

FLEET MANEUVERS ON A LARGE SCALE IN CUBAN WATERS

(SPECIAL TO THE GAZETTE.)

Guantanamo, Cuba, Jan. 25.—More than twenty warships of the Atlantic fleet, including battleships, cruisers, torpedo-boat destroyers, colliers, tenders and submarines are gathered in Cuban waters for the most elaborate maneuvers ever undertaken by the American navy.

Amusements for Men.
It is the event of the year for Uncle Sam's fleet. In addition to the maneuvers proper there will be target practice, war games and drills. There will even be athletic carnivals, such as boxing, wrestling, and jumping races. The government has constructed at Guantanamo an expensive amusement pavilion solely for the use of the fleet.

The maneuvers this year will be more costly than heretofore. More munitions will be expended. The targets alone, it is claimed, will cost more than the combined cost for the last five years. Four times as many target screens are to be used in the practice as in previous years. A number of box targets will represent airships, to be taken by anti-aircraft guns and small arms in the hands of the fleet.

The ammunition to be consumed in the target practice will be twice the amount used last year. Ships to be sunk will be larger than any that ever dropped in Guantanamo bay before. The Nevada, Arizona, Pennsylvania and Oklahoma would be the targets at from 10,000 to 20,000 yards distant. Every time one of these shells leaves a big gun it costs nearly \$1,200 for powder and metal alone—half of the cost of the war.

There will be extensive practice in torpedo firing by the combined torpedo boat flotilla and divisional flotilla, each of the seven divisions composing the fleet. An unusually large number of torpedo defense targets have been constructed at the Norfolk navy yard for use of the destroyers.

To furnish fuel for the mammoth fleet means the outfit of thousands upon thousands of dollars. With the big dreadnoughts burning oil and the older battleships burning coal, the expense of two fuel bills. Coal is more expensive than oil and less satisfactory.

Repair Ships on Hand.
That the ships should be repaired should they break down or meet with an accident, the repair ships Prometheus and Vestal are equipped to meet all emergencies. The two ships make a ton-and-a-half outfit with all the machinery, or they can make a main spring for the smallest watch on board. There are skilled workmen on both ships capable of taking the machinery to pieces and putting it back again.

The Prometheus has had a new optical workshop placed on her superstructure. She has two optical workshops and a burning coal to be the target for the fleet's guns, which are the most delicate of all work in connection with the repairs of the fleet.

The Pennsylvania is the flagship of Admiral Mayo.

ENJOY BANQUET AT TRAINING SCHOOL

Entertainment Arranged As Farewell In Honor of Miss Wingreene and Miss Fern Cook.

Students of the training school entertained at the training school rooms last evening in honor of Miss Lillian Wingreene, teacher of domestic science, and Miss Fern Cook, clerk in the county superintendent's office. Miss Wingreene, who has been teaching domestic science in the training school for the past three months, will begin her new work in the Watertown high school next Thursday morning. Miss Cook, who for some three years past has been Superintendent Antisdel's clerk, will begin her duties in the Watertown high school during February. The program of exercises, which extended from four to eight, included the playing of games and the serving of dinner, which was prepared entirely by the members of Miss Wingreene's domestic science class. The following was the menu for the occasion:

Menu.
Veal Loaf Creamed Potatoes
Mini Tryphosa Rolls
Vegetable Salad
Wafers Ice Cream Ginger Wafers
Coffee

The program was a very pleasing one and consisted of the following numbers:

Toast—Miss—Ella J. Jacobson.
Piano Solo—Myrtle Apfel.
Presentation of Gifts—Superintendent O. D. Antisdel.

Story—Harriette Donnelly.
Toss—Miss Wingreene—Principal F. J. Lowth.

Response—Lillian Wingreene.
Reading—Clara Sorenson.
Solo—Ruth Johnson.

Toast, "Miss Cook"—Florita O. Luce.
Response—Fern Cook.

Story—Beulah McCormick.
Piano Solo—Margaret Ireland.

It so happened that Mr. Antisdel and Miss Ethel Jenkins, the model school teacher, were celebrating their birthday, and the occasion was made a party by the members of the general good feeling which prevailed, due to the fine co-operative spirit of the students of the training school.

The loving committee had charge of the general arrangements for the farewell party.

Ella Rote, chairman; Nellie Logan, Rosalie Fein, Josephine Santa, Edith Bier, Ruth Milligan, Genevieve Jacobs, Bertha Linton, Virginia Johnston, Mizpah Bennette, secretary.

LOCAL BASKETBALL FANS SHOW MUCH INTEREST IN CONFERENCE RACE

With Manager George Caldwell having an ever strong basketball team in the field, interest in the sport is at a high pitch in Janesville. Not alone has the Lakota Club secured a team, but local sport devotees are also looking towards the university, where the Madison team has developed a championship caliber.

Many requests for information regarding games remaining on the Badgers' schedule have been received by the sporting department of the Gazette. The chart appears here with a taste in your hat:

Jan. 26—Chicago at Madison.
Feb. 12—Northwestern at Madison.

Feb. 13—Ohio State at Madison.
Feb. 24—Illinois at Urbana.

Mar. 3—Chicago at Chicago.
Mar. 6—Indiana at Madison.

Mar. 10—Minnesota at Madison.
Mar. 15—Indiana at Bloomington.

An ounce of happiness contributed to another is a pound added to your own.

TWO COURT JESTERS IN "CHRISTOPHER COLUMBUS."

Without a doubt, one of the great assets to any drama of a serious nature, is the comedy element, injected into the play. A playwright can by playing upon men's and women's emotions cause them to lean forward in their seats during a serious scene, yet unless that serious scene is driven far away before the next, the production will be a failure.

The Knights of Columbus are fortunate in securing the services of Jack Brown and Martin Kennedy to portray the clowns in their forthcoming production of "Christopher Columbus" at the Myers on January 30. These gentlemen have been making the most out of the comedy roles assigned them and their clown song and dance is sure to be one of the big hits of the show. They are pictured above, but you would hardly recognize them in the wardrobe and the peculiar make-up.

experienced roller artists last year raised havoc with the finer clothing of some of those who failed to visit the rag bag.

Races and games are to be a feature. The big attraction of the evening is to be the basketball contest between George Caldwell's Married Men, and George Sherman's Colts.

Previous to the skating party held last year a number of third ward girls, fearful of their ability to negotiate surface on the rollers, held a strenuous layout on the campus sidewalks. At the Auditorium on the evening of the party it was noticed that they were quite proficient as the result of their trials. They have yet to announce whether or not they will "polish" up this year for the party.

The annual Lakota banquet will be held a week previous to Ash Wednesday, the opening of Lent. It has been suggested that St. Valentine's Day, Feb. 14, would be appropriate. The committee in charge, William P. Anderson, Russell Parker, Benjamin Kuhlman and Howard Chisholm will report to the club at the first meeting in February. It has also been suggested by some that the party be made formal, but it is unlikely that this will be done.

LaFayette, Ind., Jan. 26.—Wrestling is attracting as much if not more attention than any of the indoor sports at Purdue this year. When practice started Coach Paulson believed his squad would be weak in the heavy weight class, but prospects are brighter with Jordan and Bartlett both working out daily. Bivally in the other classes is seen Coach Paulson has decided upon a series of tryouts for the men so as to get a line on their ability before the final trials shortly before the opening of the conference season.

LAKOTAS ENTERTAIN TWICE BEFORE LENT

Club Will Stage Two of Their Annual Private Parties Previous to Ash Wednesday.

Members of the Lakota club at a special meeting this week made arrangements for two entertainments to be given previous to the opening of the Lenten season. The first will be their annual skating party at the Auditorium and the second their annual banquet, open house and dancing party for the ladies.

Chairman Frank Birmingham of the skating party committee yesterday announced that it would be held on the evening of Feb. 1, a week from last night. This is the second annual affair of its nature, the party held last year having been such a decided success that it has since been determined to hold one annually. Roy Merriek, George Caldwell and Philip Korst are the other members of the committee.

The evening's activities will open with a grand march, everybody on skates and dressed in clothes appropriate of the present and proverbial by-come-to-be. Each Lakota is granted the privilege of inviting a gentleman and the lady friend of the latter. All are requested, both ladies and their escorts, to dress as comically as is possible and to eliminate everyday clothes, as falls and tumblers of the in-

STATE OFFICERS AT R. N. A. INSTALLATION

At the installation of officers held by the Triumph Camp at the East Side Odd Fellows' hall on Thursday evening the beautiful ceremony was made more impressive by the presence of the supreme manager, Mrs. Eva Child, who conducted the services. The state marshal was Iva Down, and she with her assistants went through the work very successfully. Mrs. Child also made a speech in which she commended the great good accomplished by the order, and especially of the economical way in which the financial affairs were managed. A little gift was presented to Mrs. Child, and also to the state oracle and the marshal by the new oracle, Mrs. Morse.

The list of new officers is as follows:

Oracle—Anna Morse.
P. oracle—Margaret Gregg.
V. oracle—Rose Ash.

Chancellor—Pearl Bayes.
Recorder—Lucy Wurnis.
Marshal—Gladys Drummond.

Assistant marshal—Anna Child.
Inner sentinel—Ethelina Ludolph.
Outer sentinel—Anna Parish.

Manager three years—Anna Nickerson.
Manager two years—Clara Drummond.

Physicians—Dr. Edden, Dr. Loomis.
Fath—Leola Harrington.
Courage—Bessie Anzer.

Modesty—Cora Robb.
Unselfishness—Erm. Homberger.
Endurance—Avalil Sartell.

Members of the Trinity Episcopal church choir were last night treated to a supper by the ladies of St. Margaret's Guild, acting in behalf of the congregation. The choir enjoys two of these suppers a year, which with the two weeks' summer camp makes up the pay for the boys' services.

At present there are several vacancies in the boys' soprano parts which must be filled. Any boys wishing to join the choir should apply to Father Williamson at the church next Monday afternoon at half past four.

There will be a meeting of the ladies of the church who are interested in the further development of the choir at the home of Mrs. H. A. Ford, 207 Milton avenue, on Tuesday afternoon at three o'clock.

Chippewa Falls, Wis., Jan. 26.—The high cost of print paper has not

prevented the Chippewa Falls Herald from installing a new duplex printing Webb press. Model A, which prints sixty papers a minute from a roll of paper four miles long.

Members of the Trinity Episcopal church choir were last night treated to a supper by the ladies of St. Margaret's Guild, acting in behalf of the congregation. The choir enjoys two of these suppers a year, which with the two weeks' summer camp makes up the pay for the boys' services.

At present there are several vacancies in the boys' soprano parts which must be filled. Any boys wishing to join the choir should apply to Father Williamson at the church next Monday afternoon at half past four.

There will be a meeting of the ladies of the church who are interested in the further development of the choir at the home of Mrs. H. A. Ford, 207 Milton avenue, on Tuesday afternoon at three o'clock.

MITCHELL TRAINING FOR KILBANE BOUT

(By H. C. Hamilton.)
Cleveland, Jan. 26.—Richie Mitchell, the Milwaukee light-weight star, signed to box Johnny Kilbane, the feather-weight champion at Grays' Armory here on the 30th of this month, has asked matchmaker Matt Hinkel, who is promoting the affair, to postpone the fight a week. Mitchell made a very reasonable offer of his desire to wait another week and Hinkel has now announced that the fight will occur the 7th of February.

Mitchell and Kilbane have met twice before and though both were professional fighters Mitchell was given the slings by most of the papers each time. Kilbane, however, with a few exceptions, has been showing so much punch, knocking out such rough-nuts as George Chumley, Young Droun and Willie Jackson, who recently wallowed in the mud, that the fight with Mitchell promises to be one of the fastest and fiercest of the ring has seen for some while.

In seeking for a postscript to the first date Mitchell points out that after his bout with Freddie Welsh his hands were in a bruised and battered state. He had done his best to mangle Welsh first, but as the fight went on he kept on hitting him with his fists, and when he started training for the Kilbane affair he found that his hands were in worse shape than he had thought. He explained to Hinkel that he would be cheating the fans to go before his hands were in good shape as he would be obliged to go slow all through the fight.

Jimmy Dunn, Kilbane's manager, has declared he will claim the \$500 forfeit Mitchell has put up for his appearance on the first date and Dunn is reported to suspect that Mitchell is scaling to lose his weight more easily, and possibly to meet Kilbane when the latter is not such excellent form. He is in the present, just after his knock-out of Young Droun at Hartford, Conn. Hinkel, however, is satisfied with Mitchell's explanation and already has sold out the biggest part of his house for what many consider will be one of the most interesting fights of the year.

Kilbane, of course, is unsurpassed in speed and cleverness and has now won everywhere great respect for his punch. Mitchell has not only all sorts of boxing skill, but he is as hard a hitter as there is in his class.

Brewer to Pennsylvania.
Milwaukee, Jan. 26.—(Charles Kraft.) First baseman with the Milwaukee club of the American Association, has been released to the Wilkes-Barre, Pa. club of the New York State League. Jimmy Shay, manager of the Brewers, has a crack first baseman in sight, but declines to announce his name until waivers have been obtained on him.

Steel Ski Slide.
St. Paul, Jan. 26.—A new steel slide for the use of the competitors in the national ski tournament here Jan. 26-30 is being built by the St. Paul Carnival committee under whose auspices the event will be held. Among the organizations entered is the Aurora Club of Red Wing, Minn., the first association to take up the sport in this country.

FEW TEAMS CHANGE TRAINING GROUNDS

(By H. C. Hamilton.)
New York, Jan. 26.—Big league clubs show little disposition to make changes when the time comes for them to start on the annual spring tour. Several per cent of the players will be back at the old grounds this year unless Dave Putz breaks things up by making his threatened strike effective. Only one club in the American league will stop this year at Augusta, Ga., instead of Charlottesville, where the Braves have been done for. The National League clubs this year show a more lively disposition. The Cubs, for instance, have given up Florida and will go all the way to Pasadena, Cal., to get in the early season. In doing this they are dumping over the findings of Charles Comiskey, who a long time ago decided California wasn't doing a thing good for his ball players. He went back to Texas.

The Dodgers, pennant winners in the merry-go-round, undoubtedly will be immersed in the Hot Springs of Arkansas for their daily baths. They will do their training stunts on the diamond left to shiver by itself when the Pirates chucked Arkansas overboard. The Dodgers will have for company the champion Red Sox of the American League.

Boxers to Australia.
Chicago, Jan. 26.—The latest trio of American boxers to invade Australia-Matty Smith of Racine, Wis.; Freddy Buck of Aurora, Ill.; and Jack Coyne of New York, have arrived in Sydney according to recent cable dispatches. Smith and Buck are matched to box several featherweights.

New Milwaukee Player.
Milwaukee, Wis., Jan. 26.—Zinn Beck, purchased by the Milwaukee American Association club from the St. Louis Nationals, will play third base for Milwaukee next season. Beck, a comparative youngster, has been with St. Louis for three years, the alternate with Reisel at third base with the Cardinals last season.

MEANWELL FORESEES A FAST, CLOSE GAME WITH MAROON TEAM

Wisconsin Basketball Director Says Badgers Will Win, But Not by Any Comfortable Margin.
[SPECIAL TO THE GAZETTE.]

Madison, Wis., Jan. 26.—A crowd, equaling that which attended the Illinois game last Saturday, is expected to be on hand tonight when the Badgers meet Chicago. The preliminary seat sale opened today with over a thousand seats being sold. The basketball court is so arranged that only about twenty-five hundred people can be seated. If the seat sale continues as fast as it did on Thursday not a seat will remain vacant when the whistle blows for the game to start.

Dr. Meanwell, in a statement regarding the contest, said that he expected the Badgers to win, but that the score would be very close. "I predicted a victory for my men by a score which will show not more than five points difference when the game is over." From his statement the students are assured of a good game at least and one which will be a true Chicago contest. In the past three years, the Badgers have won all but one contest from the Maroons, but in that time they have failed to win one game by a comfortable margin. This is due to the fact that Chicago always plays in its best form against the Badgers. Final scrimmage drill was given the men Wednesday evening. The fresh-

LOCAL TEAM PLAYS AT MADISON TONIGHT

High School Five Must Show Speed to Defeat University Highs on Their Own Floor.

The Janesville high school basketball team will be given a hard test tonight in the game at Madison with the university highs. The Madison men are heavy and fast and have shown some brilliant play in their games thus far this season. They are ranked as the equal of the Beloit team, which Janesville will meet next Friday night. Cassidy will take a place at forward tonight, which will add considerable strength to the team. It will be his first appearance in the regular line-up this season, although he has kept himself in constant training and his presence on the floor will serve to inspire his teammates.

"I have confidence of winning tonight's game, for I know the boys are in excellent fighting trim," declared Coach Keck. The men who will go to Madison are: Kober, Kenning, Cushing, Davy, Hager, Cassidy and Morse.

CARDS MEET FAST RACINE TEAM HERE

Lakotas Take on Lake Shore Boys in First Home Battle in Two Weeks Tomorrow Night.

After a period of two weeks in which Janesville fans have been unable to watch the Cardinals force their way nearer to the championship of the state, Manager Caldwell has secured a game for tomorrow night with the Battery C. team from Racine, Wisconsin. This team has played together for the past five years, though not always representing the Battery, which is a new organization, and in all this time has established a reputation for fast basketball that has made them a drawing card in all parts of the Middle West.

This year they are putting up a strong bid for the state title and have already defeated some of the strongest squads. Out of five games with big teams, they have come out victorious in all. The team is made up of five old university stars, developed in the collegiate style of play, and hardened by years of constant playing with state and traveling teams. That race will put up a strong game is assured. That the Cards will play a bit better game is likely. Caldwell's present aggregation is fast, attaining a degree of proficiency that will bring the state honors to this city.

unless dopsters are sadly mistaken. Unlike some of the teams which have played here this year, the Lakotas put their reliance on good basketball rather than on the dominance of brute strength; they are fast, they are accurate passers, are good basket shooters, dribble only when it results in a gain, and have played together enough to develop a team work that will soon be well high in the league.

Doc Meanwell, because of their excellence, is predicted for each. Floden, who has completely recovered from the effects of his fall in last Saturday's game, will play center. Mitchell and Eifield, forward, and Edler and Knapp, guards.

BADGER HOCKEY TEAM UNDER ANOTHER NAME WILL PLAY NORTHWESTERN

Madison, Wis., Jan. 26.—Because of the fact that the athletic board failed to recognize them, as a representative team of the university of Wisconsin, the hockey club which was recently organized will meet Northwestern university in the near future under the name of an independent organization. The game which will be played on Saturday at the White City rink in Evanston, is calling forth plenty of interest because it will be the first appearance of the two conference schools in this form of sport. The return contest will be played in Madison February 17. It is hoped that the faculty and athletic board will give their sanction to the contest before the return game is played. One game has also been arranged for February 10 with St. John's Military academy.

Indiana Baseball.
Bloomington, Ind., Jan. 26.—The first baseball practice in the new Indiana University gymnasium brought out thirty candidates. The preliminary practice directed by Coach Whisman is short, but gradually will be increased. The first practice in the batting cage disclosed some fair work. It was said, for so early in the season. The squad will be increased at the close of the basketball season. Several basketball men say they will try for positions on the nine.

Bunny Brief, star first sacker of the Salt Lake Pacific Coast league club, threatens to retire from baseball. Cliff Blankenship, former Salt Lake manager, said he had received a letter from Brief declaring that unless he received a better contract for 1917 he would go into business with his father-in-law in Travers City, Mich.
